

Docent Program

The Jack Hadley Black History Museum is looking for enthusiastic people as volunteers for our docent program.

- Do you like sharing history, especially the African American history of Southwest Georgia?
- Would you like to be of service to your community?
- Would you like to learn more about the people who made the history of Southwest Georgia?

Join our museum team and help our visitors discover African American history from a local perspective. Museum docents lead tours and discussions, welcome visitors, and help host special events and programs. They help visitors of all ages see and understand the contributions of people of color in Georgia from the beginnings of African appearance in the New World, through the heartache and pain of slavery, to the triumph winning of civil rights for every citizen of the United States.

If you are interested in the docent experience, contact the museum at jackhadleyblackhistorymuseum@rose.net or call at 229-226-5029 to begin your adventure.
